

OUTREACH COMMITTEE

Purpose:

The Outreach Committee conducts a variety of educational and awareness outreach activities to make our organizations presence known to both the general and medical communities around us. In addition, it works to connect TANGO2 families from around the world by providing access to information and firsthand experiences with TANGO2 Disease from parents and professionals.

Committee Composition:

At least 3-6 volunteer members comprised of the following:

- Board members (Committee Chair should be a Board member)
- At Large members who have an interest in or experience in education and outreach

Committee Roles and Responsibilities:

- Review all previous year activities and make recommendations for improvements
- Work toward the completion of Outreach Committee goals outlined in the Foundation's strategic plan
- Develop an annual calendar for the committee's activities, including critical dates, milestones and required board actions
- Engage in advocacy and networking
- Work to develop a Community Outreach "Tool Kit"
- Participate in annual special events and other educational or awareness activities
- To serve on or provide oversight to specific activity task forces
- Track and report progress toward goals to the Board

Committee Members Expectations:

- Attend and participate in regular Committee meetings
- Review materials and provide input for improvement
- Serve as an internal/external link for the TANGO2 Research Foundation to open doors to further the organization's mission and vision.
- Participate in implementation of the committee goals.

Time Commitment:

- 4-8 hours per month (includes meeting and outreach events)
- Attend Monthly Committee meetings
