**\*Please Note\*:** If you have previously registered your email address in an account on any Disney website including but not limited to ABC.com, ESPN.com, DisneyJunior.com, or DisneyWorld.com, your email address has already been registered. If you don't remember your password information, click on the reset password link and follow the steps. You can then skip to the "Linking Your Hotel Reservation" section.

## Creating Your MyDisneyExperience Account

- **Step 1** – Visit [www.mydisneyexperience.com](http://www.mydisneyexperience.com)
- **Step 2** – Click on "Sign In" or "Create New Account"

## Linking Your Hotel Reservation

- **Step 1** – Click on My Reservations and Tickets

The screenshot shows the Walt Disney World website homepage. At the top, there are links for 'Parks & Tickets', 'Places to Stay', 'Things to Do', 'Help', and 'Cart'. The 'MyDisneyExperience' account menu is open, showing 'Mickey Mouse' and 'Plan and Manage' sections. The 'Plan and Manage' section includes links for 'My Itinerary', 'My Reservations and Tickets' (which is highlighted with a red box), and 'FastPass+'. Below this, there are sections for 'My Account', 'Memory Maker', and 'Photography'. On the left, there's a large Mickey Mouse icon and links for 'Resort Reservation', 'Family & Friends', and 'Personalize Your Magic'.

- **Step 2** – If your reservation does not automatically populate, click on "Link Resort Reservation"

The screenshot shows the 'My Reservations' page. It includes a message: 'Refer to this page to view and manage all your Walt Disney World Resort hotel and dining reservations, FastPass+ selections, tickets and other purchases.' Below this, there's a section for 'Disney Resort Hotel Reservations' with a message: 'We didn't locate a reservation for you. If you have a reservation, please [help us link it](#) to your account.' At the bottom, there's a note: 'Have a Package or Resort Hotel Reservation? If you don't see a reservation listed—such as one made on the phone or through a travel agent—be sure to link it to your account.' To the right, there's a button labeled 'Link Resort Reservation'.

- **Step 3** - Enter your reservation number and last name as listed on the reservation.
